Annual Parental Permission Form School Year 2013 / 2014

Each year, we ask permission for your child to participate in certain activities. In order to cut down on unnecessary paperwork and simplify record-keeping, we have decided to include as many permissions as possible on one sheet. Please read carefully each of the items below and tick the relevant box. Not all items may be relevant to your child this year, but they probably will be at some stage in the future. If you have any concerns regarding any of the items below please feel free to contact the class teacher or principal.

❖ Please fill out **both sides** of this form for each of your children attending our school and return it to the school as soon as possible – Thank you.

When children are taken on these outings, the level of supervision is increased to meet the needs of the particular activity.

Text-a-Parent Service

It is vital that there is an efficient channel of communication between school and home. The Text-a-Parent service is a good way of ensuring that parents are kept informed about what's happening at school. It is also useful if the school needs to contact a large group of school families at short notice, e.g. school closures due to inclement weather, cancellation of activities, etc.
