**Christmas Concert Arrangements**

This year we are going to try a new format as it has become more difficult to accommodate everyone who wants to attend our Christmas Concerts in the school hall. We are going to have four separate performances so hopefully there will be room for everyone who wants to attend. Tickets will be available from the school this week and they are €5 each.

Tickets initially available to parents/guardians (two per family).

Extra tickets for other family members may be available next week.

No additional charge for tickets to a show where a second or third child in a family is involved.
